As you are aware, our Lollipop man, Mikey, is leaving this week. His last day is this Friday. However, he will not be at work on Tuesday, Wednesday or Thursday this week. The Road Safety Team are currently unable to staff our crossing during his absence.

This will also be the case from the 3rd December so parents must be aware that it is unlikely there will be a crossing patrol officer on duty until Mikey's role is replaced. If you know of anyone who may be interested in the role, I would encourage them to keep an eye on the Government Website and local press.
