Dear Parents

I am pleased to inform you that Mrs Trish Dudley, currently head of school at Laxey Primary School, has been appointed as the new Headteacher of our school. Mrs Dudley will take up position this coming September and she brings a wealth of experience and enthusiasm to continue to move the school forward.

After qualifying from Chester College with a Bachelor of Education Degree in 1984, Mrs Dudley initially taught at Andreas Primary for four years. She has been at Laxey School since 2001 and was made deputy head there in 2006. During this time she also undertook Early Years Advisory work for the Department of Education, Sport and Culture and spent two terms as an acting head.

Mrs Dudley said, "I feel honoured to have been given the opportunity to return to Andreas as Headteacher. I aim to build on the school's existing work on developing the capacity to learn which will ensure the children possess the attributes needed to become successful both as pupils in school and then as adults in later life. I'm looking forward to working with the staff, pupils, parents and governors and reacquainting myself with the wonderful community at Andreas."

We look forward to welcoming Mrs Dudley over the next few weeks when she will be working with the staff and meeting the children.

Yours sincerely

Mrs R Ashley
Headteacher
