Dear Parent / Guardian,

Your child has been selected to represent the school in the 7-a-side Football Competition, at Union Mills Football Ground, Douglas, on Saturday, 29th June.

Team kit will be provided, but they will need to bring their own football boots, shin pads, a packed lunch and an additional drink in a named water bottle. Fruit or healthy energy snacks are also recommended.

Please make arrangements for your child to be at the Union Mills site before 9:10 am. This is to allow time for the team to register and warm up before matches start at 9:30 am.. Parking will be very restricted, and the area is likely to be very congested at key times. Please allow for this when planning your journey time to Union Mills.

A parking area on the field behind the club house is allocated for those who are able to stay for the morning and support the team. For those unable to stay, there is a quick drop off zone in front of the club house.

The matches should have finished before 1.20 pm, when you can take your child home, unless the team is taking part in the final knockout stages.

Please feel free to negotiate and share transport arrangements but ensure school staff know who is picking up your child.

If there are transport difficulties, please let me know.

Please complete the permission slip below, so that they make take part.
Thank you.
