WINTER 2019

Dear Parents/Carers

The first half term of the year has flown by! The children are settled back into their routines and are enjoying their learning. Climbing trees and playing on the field is extremely popular and we would like to extend that provision so if you have any donations for den building we would be grateful. Pallets, ropes, tarpaulins, pots, pans, buckets and spades are all very welcome!

Please remind your child to have outdoor footwear if they wish to access the field, gloves would also be great as den building can get splintery! A discussion regarding risk assessing is always welcome too.

URGENT - New Intake

In order to calculate staffing, the Department of Education Sport and Culture need to know how many children will be starting schools in September 2020. If you live in the village and have a child who is due to start at Andreas next September please let us know as soon as possible. Similarly, if you know of anybody who has a child of school age in 2020, please let us know.

There are more great FaNS events coming up so keep an eye on Facebook/ letters home for further information.
