Thursday 16th April

Dear Parents/ Carers

I hope you are all well and finding positive ways to cope with our current situation.

As you are now aware, the lockdown has been extended until May 15th. Whilst this news is not unexpected, I'm sure we all hoped we would be back to normal after Easter. I just want to take this opportunity to reassure you if you have any concerns about your child starting school this year.

A letter will be sent out to inform you of the transition events which will help your little one start happily with us in September. As we don't yet know when school will restart, I cannot give you any more details but please rest assured we will endeavour to make sure you and your child are ready for school life. If you have any immediate concerns or questions please email me directly at [trish.dudley@sch.im](mailto:trish.dudley@sch.im).

I look forward to meeting you and your child in the near future.

Stay home. Stay safe.

Kind regards

*Trish Dudley*
