I had - I'd, I would - I'd, I should - I'd

We will be learning about Co-ordinates.

Miss Dainton has prepared some great resources for you to have a look at. They are already up in Tholty classroom.

Topic

What can you find out about the 1970s? Can you get yourself dressed up like young people would've been dressed then? What was fashion like?

ART - This week there will be daily lessons added to the classroom.

Other stuff!

For your parents:

Use the websites attached to guide you as they provide learning opportunities for all sorts of curriculum areas which will help keep your child engaged. Allow your child to choose but monitor these choices carefully so your child isn't always in the comfort zone. Remember good learning means mistakes are made - if everything is right, your child is using skills they already had.

Cooking is a vital real life skill your child can learn and baking is a great way to teach age appropriate maths such as fractions through sharing, weighing and measuring etc.

Make sure your child still gets lots of exercise - sitting glued to a device is not physically or mentally healthy.

Picture News - The Files will be added to the new THOLTY Classroom in the Assignments section.
