Friday 18th September

Dear Parents / Carers

We're really delighted to see how quickly the new Reception children are settling in along with children from all the other year groups. If you have any questions about school, or any concerns or issues, please talk to a member of staff directly. This enables us to sort things out quickly and effectively. After school is best if you need a teacher, as before the day starts they are busy preparing resources for lessons.

Breakfast Club

I am really sad to inform you that Kelly will be stopping the club with immediate effect. This is partly because of personal issues but also due to the low intake since lockdown. If anyone is interested in reopening the club for Andreas school children, please come and see me. However, the Bright Beginnings club is now officially finished. I'd like to thank Kelly for running the club for us for almost a year and wish her well for the future.
