Dear Parents/Carers

People often ask for ideas to support the home learning suggestions we provide on our termly parent information leaflets. The websites below have some great activities which will do this, so I hope you find them useful.

<https://nrich.maths.org>

<https://whiterosemaths.com> (follow the pink home learning section at the top and choose the relevant year group)

<https://classroomsecrets.co.uk/>

<https://www.mathshed.com/en-us>

<https://www.literacyshed.com/home.html>

<https://www.pobble365.com/>

<https://play.edshed.com/>

<https://www.spellingshed.com/en-gb/>

We are always looking for parents to come in to school to help out so, if you have any free time and would like the challenge, please contact the office on 880375 or email andreasenquiries@sch.im

If you have any questions regarding the above, or any other aspect of school life, please contact me directly on trish.dudley@sch.im and we can arrange a mutually convenient time to chat.

Yours sincerely

Trish Dudley
