Dear Parents/Carers

Home learning during lockdown is never easy! The information below outlines what we will be providing over the next three weeks for each year group. If you feel more, or less, is better for your family don't hesitate to inform us.

Curraghs and Silverdale classes.

Following on from the initial starter pack, each Monday and Wednesday you will receive an email with home learning activities for you to follow with your child. The teachers may also email you some resources which will support your child's learning. If you have any questions or feedback about this please email me directly on trish.dudley@sch.im. Myself or your child's class teacher will then contact you personally. Please remember that daily reading with children at this age is always really important.

Dhoon Glen and Fuchsia classes.

Your child will be able to access their learning on their Google classroom account and when the technical issues have been sorted they will be able to meet up with their teachers through Microsoft Teams. Please try to ensure your child checks the classroom daily, their teacher will be able to use Google to provide feedback as well as offer support and guidance.

The following websites also provide many quality activities to help your child develop a range of skills.

Please contact me directly if you wish to discuss any aspects of the school's lockdown provision.

Yours Sincerely
