

Recognise odd and even numbers

Write the numbers in the right place on the Carroll diagram.

Up to 99

odd not odd

more than 40

not more than 40

Topmarks

- | | | | | | | | |
|----|---|----|----|----|----|----|----|
| 34 | 5 | 20 | 58 | 17 | 69 | 76 | 41 |
|----|---|----|----|----|----|----|----|

True or False?

If you add two even numbers together, it will always make an even number.

Show me how you know!
