

Adding suffixes, -s, -ies and -es

Changing words from singular to plural.

just add -s	Change the y to an i, then add es	add -es

chicken	tree	penny
spy	bus	wish
church	daisy	valley
boat	tray	bench
baby	party	piano

Decide which column the words should fit in. Write the words in the correct column of the chart using their plural version. Add some of your own words too. Can you find any words that don't fit in any of the columns when changing from singular to plural?
