

SKILL - WRITING

FOCUS - STARTING SENTENCES IN DIFFERENT WAYS

Have a go at using the methods we looked at in the video to improve these paragraphs.

*How

*When

*Order

- You might also use a connective (and, so, but, if, because etc) to combine 2 of the sentences to make a longer one.

1. Fred was desperate to get home. He really wanted to finish reading his Harry Potter book. He heard the school bell chime. He dashed out of the doors. He grabbed his bike from he bike rack.

2. Beth knew she was going to be in trouble. She ducked behind the long, wavy grasses in the garden. She wished she had been more careful. She decided it would be better to own up. She started to walk towards the house.
