

Curraghs Class - Home Learning - 25th Jan 2021

'Pumpkin Soup' by Helen Cooper

Hello Curraghs Class!

Here are some challenges for your home learning this week based on the book **'Pumpkin Soup'**.

Ask your grown ups to help you choose a challenge and have a go!

Don't forget to have a look at our Curragh's Class Online Learning Page this week too!

If you would like to send me some pictures of your learning you can email it to me at the address below. It has been great seeing what you have been up to at home.

E-Mail: juliephillips@online.sch.im

Literacy Skills and Challenges

- * Watch and Listen to this reading of the story. ['Pumpkin Soup'](#)
- * Help your grown up read the story with this e book. [Click here.](#)
- * Writing - write a list of all the vegetables you can think of. Use letters and sounds to help you spell.
- * Reading - Follow this recipe to [make your own vegetable soup!](#) Practise your peeling and chopping skills.
- * Talk - Explain why cat and squirrel were worried when duck left their little white house.
- * [Phonics with Mrs Phillips!](#) Click here. Practise your phonics with my home learning videos.

Science

- * Make your own poster showing different fruits and vegetables. Draw and label them. Or [click here](#) to print a fruit and vegetable sorting challenge.

Art & Design Technology

- * Create your own pictures of cat, duck and squirrel from the story. You could draw, paint, collage or make them out of play doh.
- * What would your favourite meal be? Draw your own plates and bowls and design your meal. Don't forget to include pudding. Write labels and colour in your food.

Outdoor

- * Make your own 'GARDEN SOUP!' What can you find in the garden to go in your soup? Stones, weeds, leaves, twigs, pinecones or mud? Don't forget to stir it.

Maths

- * Measuring weight - Find 10 things heavier than a carrot. You could use weighing scales if you have them at home or make your own using a coat hanger. How can you record your findings?
- * Maths with Mrs Phillips! [Click here.](#) Practise your maths skills with my home learning videos.
