Create an Easter Garden

Task

An Easter garden represents Jesus and how he died for us and rose into Heaven.

You can make your Easter garden out of anything. It needs to include a cave, something to cover the caves opening and a cross. I hope you enjoy making your Easter garden. Time to get creative! Here is an idea of how to make one.

To Make:

1. Fill the tray with soil or potting compost.
2. Arrange it to make a hill on one side of the tray.
3. Cover the soil with moss, grass or sand.
4. Make three crosses with dried twigs tied together with sewing thread and place on the hilltop.
5. Press the small pot into the hillside to make a cave like the garden tomb. Place the stone over the mouth of the tomb.
