Why Are We Called Teapot Trust?

We take our name from the support, comfort, relief and respite that a pot of tea, shared with friends, has come to symbolise to many of the patients and families we care for.

The 'Get Tea Party Arty' Challenge

Whether we are big, little or in the middle, catching up with friends for a good chat is something we all miss during lock down or self isolation. Our Art Therapist would like you to decorate our teapot with a design, pattern, picture or scene that will fill any tea party table with fun and colour. **Let your imagination run wild!**

The winning entry from each age group will receive an **Afternoon Tea Party for four people** delivered to their home, from our friends at The Tea Junction. **Age groups: 5 years and under / 6 to 11 years / 11 to 18 years**
