

The Arbor Parent Portal quick introduction

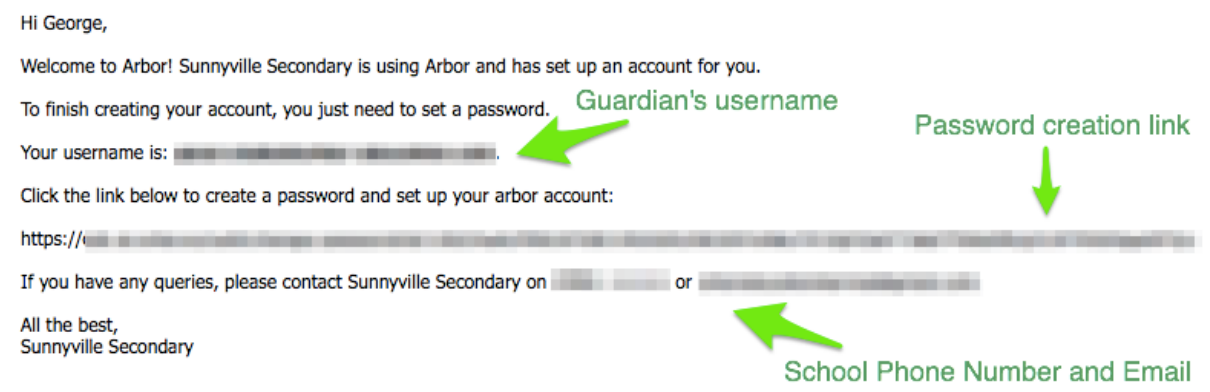

Disclaimer

If you can't find the answer to your question using this Help Centre, please contact your school. They will contact us if necessary. Please do not contact Arbor support directly.

Logging In For the First Time

To login into the Parent Portal for the first time and view your child's dashboard, you will need the email that came from your school to welcome you to Arbor. We also recommend that you log in for the first time on a desktop computer, using Chrome as your web browser.

This email will confirm your username (your email on school record) and a link for you to click on that will take you directly to your schools' Parent Portal site.

On your first login only, you will need to enter your child's date of birth to access the dashboard.

If you are unsure if your school uses Parent Portal, please check with them first.

Your Child's Dashboard

The dashboard is the first screen that you will see. This gives a quick glance of the student's daily timetable, behaviour points, meals, notices, current attendance and progress.

You can return to this page at any time by clicking on the school's logo or choosing Dashboard from any menu.

For example, clicking the attendance percentage will bring up the attendance page which breaks down the attendance figures into present, late, or absent.

Once you've clicked on Attendance or another item, you will see a menu appear like so in the left-hand side of the page you are now on:
