**Writing:** recounts, poetry and leaflets.

**Spelling focus:** alternative spellings.

**Reading:** facts files and non-fictional texts.

Our class book is: The Sheep-Pig

Please listen to your child read daily.

## Our Topic is Predators!

It's time to take a walk on the wild side! This term, we'll be learning about some amazing animals; discover how they move, what they feel like and what they eat. We'll learn about how some plants are predators! Using the internet, we'll research the majestic peregrine falcon and discover where crocodiles live. After our research, we'll create an exciting aquatic animation.

**Science:** Food chains; Fossils; Plant parts and functions; Water transportation in plants; Skeletal systems; Working scientifically.

**Geography:** Fieldwork; Using maps

**P.E.:** MSR sessions. Swimming.

**ART:** Sketching and drawing predators. Still life; Harvest art. 3-D models

**DT:** Selecting and using materials.

**PSHE:** Discuss how individuals can become responsible for their personal hygiene and the consequences of neglecting personal hygiene.

**Music:** Play or sing music from memory. Improvisation.

**ICT:** Algorithms; Flow diagrams; Online research; Using logical reasoning; Graphics software; Presentations.

**R.E:** Celebrations
