Friday 24th April 2026

Dear Parents

Next week our Year 6 children are going to the Venture Centre for the week and our Year 5 children are going to the Outdoor Learning Centre on Thursday and Friday. As some of you may be already aware Mrs Cottier is currently absent and so is unable to attend the Year 6 trip as she normally does.

As I hope you will understand I have needed to prioritise our permanent staff supporting the Year 6 trip and use some of our regular supply staff to cover some of our classes in school. This has resulted in a few planned changes to class teachers for next week. I have summarised these changes below:

Reception

Monday and Tuesday – Mrs Watling and Mrs Pedley will be working in the class.
Wednesday, Thursday and Friday – NO Changes

Year 1 – No Change, Miss Holland will be working with them as normal.

Year 2

Monday, Tuesday and Wednesday – No Change, Mrs Radcliffe will be working in the class, alongside Mrs MacLaren on Wednesday

Thursday – Mrs Manser will be working in the class

Friday – Mrs Radcliffe will be working in the class

Year 3 and 4 – No Change, Miss Brindley will be working with them as normal.

I understand that a change to your child's class teacher is not ideal, but I have ensured that all classes that do have a change, are being covered by one of our regular supply teachers who already has a good relationship with the children. Thank you for your understanding with these arrangements, but if you do have any questions, please just ask Miss McHugh or myself.

Yours sincerely

Mr W Nelson
Headteacher
